

Table 1. Median and IQR of genetic counselor access to care (state-level median of drive-times to the nearest genetic counselor, weighted by cancer incidence rates) for cancer patients by U.S. region

Region	Median of access / mins	IQR of access / mins
Midwest	55.6	61.7
Northeast	31.3	22.8
South	53.6	30.0
West	80.7	37.2
